Перейдите на сайт [www.no-ip.com](http://www.no-ip.com)  
Кликните по ссылке Create Account

The screenshot shows the No-IP.com website homepage. At the top right, there is a 'User Login' section with fields for 'Username' and 'Password', and buttons for 'Create Account', 'Forgot password?', and 'Login'. A large red arrow points from the top center towards this login area, specifically highlighting the 'Create Account' button. The main content area features a banner for 'Managed DNS' with a woman's photo, followed by sections for 'No-IP Plus' features like easy interface and free dynamic update client, and a 'Register Your Domain' search bar. Below these are three service cards: 'No-IP Free' (create a free hostname), 'POP3 / IMAP Mail' (outsource mail administration), and 'Feature Highlight' (configure router). The bottom navigation bar includes links for Home, API, Whois, Contact Us, Sitemap, Terms of Service, Privacy Policy, and Blog, along with social media icons for RSS, Facebook, Twitter, and LinkedIn.

Выбираем бесплатный «Free DNS» и кликаем Sing Up.

The screenshot shows the No-IP website's account selection page. It features three main service plans:

- Free DNS**: \$0 / year\*. Includes 3 hostnames, dynamic DNS updates, URL redirection, personal use only, and 30 day account confirmation. A red arrow points to the "Sign Up" button.
- Enhanced DNS**: \$12.95 / year. Customer favorite. Includes 25 hostnames, more domain name choices, phone and email support, no ads on redirects, commercial use ok, and no account confirmation.
- Plus Managed DNS**: \$24.95 / year. Great for business. Includes 50 hostnames, use your domain name, anycast DNS, and 100% uptime guarantee.

**30 day money back guarantee!\*\***  
\*excludes domain registration

**What are 30 day account confirmations?**  
No-IP requires users of our free service to confirm that they are still using their account every 30 days. An email is sent to you that requires you to click on a link to keep your account active.

**Can I use No-IP for my business?**  
The No-IP Enhanced and Plus services can be used for business applications.

**Have more questions?**  
If you have questions about No-IP or the sign up process just submit a [support request](#) and we'll get right back to you.

No-IP.com Activation

KOMY: MHE | [Выходите](#)

Congratulations, the No-IP account 'odiniki' has been created. To activate your account please click on the activation URL below.

No-IP's basic dynamic DNS service is free, made possible by our paid services. If you are interested in dynamic DNS for your own domain please consider our No-IP Plus service. For more information about our paid services visit <http://www.no-ip.com/services>.

To activate your account please click the following URL:  
<http://www.no-ip.com/activate?id=he50e751710a0>

Remember that you can use our dynamic update client to automatically update your host when your dynamic IP address changes. You can download the client at <http://www.no-ip.com/downloads.php>.

If you have any further questions, please refer to our FAQ at <http://www.no-ip.com/faq.php> and guides section at <http://www.no-ip.com/guides.php>. If you still have questions contact support by opening a trouble ticket at <http://www.no-ip.com/ticket/>.

Thank you for choosing No-IP.com

Придумываем себе имя хоста, выбираем в каком домене и нажимаем «Create Host».

The screenshot shows the No-IP website interface for adding a new host. The top navigation bar includes links for 'Return to No-IP.com', 'Your No-IP', 'Account', 'Support', and 'Log Out'. It also displays the user's session information ('Logged in as: odiniki') and IP address ('IP: 178.95.17.126').

The main content area is titled 'Add a host' and contains instructions: 'Fill out the following fields to configure your host. After you are done click 'Create Host' to add your host.' A note says: 'Own a domain name? Use your own domain name with our DNS system. [Add](#) or [Register](#) your domain name now or read more for pricing and features.'

**Hostname Information:** This section includes fields for 'Hostname' (set to 'zapto.org'), 'Host Type' (selected 'DNS Host (A)'), 'IP Address' (set to '178.95.17.126'), 'Assign to Group' (set to '- No Group -'), and 'Enable Wildcard' (with a note about Plus / Enhanced features). The 'Hostname' and 'IP Address' fields are circled in red.

**Accept Mail for your Domain:** This section notes that No-IP can handle email setup via POP or forwarding. It includes a 'Mail Options' section for 'MX Record' and 'MX Priority' (set to '5'). A note says: 'If you would like a more MX records, please upgrade to [No-IP Plus](#) or [Enhanced](#)'. The 'Create Host' button is circled in red at the bottom right of this section.

The footer contains links for Home, API, Contact Us, Sitemap, Terms of Service, Privacy Policy, Blog, and a copyright notice: '©1999-2011 No-IP.com - Vitalwerks Internet Solutions, LLC. All Rights Reserved.'

Создание доменного имени завершено.

The screenshot shows the No-IP website's 'Manage Hosts' section. At the top, there are links for 'Return to No-IP.com', 'Your No-IP | Account | Support | Log Out', and a message 'Logged in as: odimiki@...' with an IP address '178.95.17.126'. Below this is a navigation bar with tabs: 'Hosts/Redirects' (selected), 'DNS Hosting', 'Domain Registration', 'Mail', 'SSL Certificates', 'Monitoring', 'Backup DNS', and 'Renew/Activate'. On the left, there are promotional boxes for 'Need redundancy for your mail server?' (with a 'Click here for more info' button) and '24/7 Server Monitoring and Failover' (with a 'Click here for more info' button). A 'Need Help?' box lists links for 'Support Center', 'Basic Troubleshooting Guide', 'Support Ticket', and 'Contact Us'. At the bottom left is a 'Get Connected' box with social media icons for RSS, Facebook, Twitter, and LinkedIn. The main content area is titled 'Manage Hosts' and shows a success message: 'Host asd123.zapto.org created. Update will be applied within 1 minute.' It displays a table of current hosts: 'Current Hosts: 1 of 3'. The table has columns 'Host', 'IP/URL', and 'Action'. One row is shown: 'Host: zapto.org', 'IP/URL: asd123.zapto.org', and 'Action' buttons for 'Modify' and 'Remove'. A large red arrow points from the text 'Доменное имя - переписываем в конфигуратор' down to the 'Host' column of the table. The footer contains links for Home, API, Contact Us, Sitemap, Terms of Service, Privacy Policy, and Blog, along with a copyright notice: '©1999-2011 No-IP.com - Vitalwerks Internet Solutions, LLC. All Rights Reserved.'

Теперь заполняем поля DDNS в конфигураторе.

**Отмечаем - Использовать DDNS:**

- адрес DDNS сервера - [dynupdate.no-ip.com](http://dynupdate.no-ip.com);
- доменное имя - созданное вами доменное имя;
- имя пользователя - ваш адрес электронной почты;
- пароль - пароль, указанный при регистрации;
